Change of Staff Development Day Date Term 3

This letter is to inform you that Jindera Public School will be holding our Staff Development Day (SDD) for Term 3 on Thursday, 20th July 2017 instead of Monday, 17th July 2017. This is to allow staff to attend training presented by Judy Hatswell, who was booked at the beginning of the year. She will come to Jindera Public School to deliver a student wellbeing workshop to staff. Judy is recognised Australia wide and internationally for her outstanding knowledge in the area of student welfare, behaviour management and whole school approaches which enable students to be responsible for their behaviour. She is highly sought after by schools for training in this area.

This means that students are to attend school as normal on Monday, however are not to attend school on the Thursday.

Monday 17th July	First day back, classes as normal
Tuesday 18 th July	Classes as normal
Wednesday 19 th July	Classes as normal
Thursday 20th July	Students do not attend -SDD
Friday 21 st July	Classes as normal.

We will continue to send reminders of this variation to routine prior to the day.

Sincerely,

Emma Andrews
Principal (Rel.)
Jindera Public School
9th June, 2017.
