

**Jindera Public School  
Year 4 major excursion  
Echuca  
15, 16 & 17 May, 2017**

Dear Parents/Caregivers

The permission note sent home this week had an error regarding the cost of the excursion. The original EOI, sent home last term, **had the correct amount of \$300** but the subsequent permission note had \$280. I apologise for any inconvenience this may have caused.

Please be aware that online / internet payments will not be available from this Friday 5 May until after our new LMBR computer system is up and running. This is scheduled for 22 May so hopefully this service will be available again from 23 May. Cash and cheque payments can still be made during this time.
