Kinder to Year 2 School Camp Out

Friday 23rd October 2015

Dear Parents,

Late last term you received a note asking for you to indicate your expression of interest in our planned K-2 camp out on Friday 4th December 2015. The response to this indicated that parents would support the event and we are, therefore, proceeding with the planning and organisation.

The purpose of this note is to determine numbers for the camp out so that catering can be organised and the pool informed of our visit that day.

Your response to this note secures your place at the camp out and is essential for further planning to take place.

All future information and permission notes will be sent home in the following weeks and will only be distributed to those children who have returned this note by the due date.

I have had a number of parents speak to me regarding the attendance of older and younger siblings and I have needed to make a blanket decision that we will only be able to have children from grades K to 2 attend with one or more adult family members. This decision has been made for logistical and safety reasons and I am sure that you will both understand and support this.

Should you wish to secure a place in this school event, please complete and return the attendance slip below to the boomerang blue box no later than **Friday 13th November 2015.**

Should you have any questions or concerns regarding this event please feel free to contact me at the school.

Regards,
