Dear parents/carers

I would just like to say how excited and privileged I feel to be taking on board your children for two terms while Ms Blair is on maternity leave.

Ms Blair has left me with plenty of information and guidance to continue a consistent structure of learning and to continue fostering and extending them. As well as bring in my own ideas and activities that I believe will work along previous routines.

Feel free to come in and say hello anytime, I look forward to meeting you all.

So far the children seem to have dealt with the change really well, showing just how resilient they are. We have had a great first few days.

Home learning will begin week two and I am happy to provide extra extension work if needed, you just need to let me know. The children have chosen one or two literacy goals to focus on during class for as long as needed and I have noted in their home learning sheets that they are welcome to work on these during this time.

Speeches will also be presented in class during week two. Based on their marks I will then choose the top three who will present during week 3.

If you have any questions about anything feel free to come in and see me or contact the school.

Kind regards,

Laura Huekse
