

# Parent Information Sessions

## Tuesday 14 February 2017

Jindera Public School invites all parents to our parent information session afternoon on Tuesday 14 February 2017. This year, we are conducting staggered session to provide parents with the opportunity to visit more than one classroom if needed. The purpose of these sessions is for the teachers to provide you with an overview of the class routines and structures and to communicate important requirements and expectations. The sessions should run for approximately 30 minutes with opportunities to ask class related questions.

Every attempt has been made to provide parents with the opportunity to visit more than one classroom, however, should you find that 2 sessions coincide, it may be advisable to see the teacher and collect any handouts from the session or organise a meeting with the teacher at a later date.

We look forward to your attendance at these very important and informative sessions.

Regards,

Des Knight
